¿Qué es la Iniciativa de Salud Innovadora?

La Iniciativa de Salud Innovadora (IHI) es una asociación público-privada entre la Unión Europea y las industrias europeas de ciencias de la vida

Forma parte de HORIZONTE EUROPA,
y contribuye a sus objetivos

La evolución (con cambios) de la
Iniciativa de Medicamentos Innovadores (IMI)

IHI: Objetivos generales

1. Contribuir a la creación de un **ecosistema de investigación e innovación** en materia de salud a escala de la Unión, que facilite la traducción de los conocimientos científicos en innovaciones
2. Fomentar el desarrollo **de innovaciones seguras, eficaces, centradas en las personas y eficientes**, que respondan a necesidades estratégicas de salud pública no satisfechas
3. Impulsar la **innovación sanitaria intersectorial** para una industria sanitaria europea competitiva a nivel mundial

IHI: Miembros y Presupuesto

¿Quién puede participar?

Any legal entity, regardless its place of establishment, carrying out work relevant to the Call objectives may be part of an applicant consortia

But... not all participating entities are eligible for funding

Reglas de HE pero un requisito adicional de elegibilidad

Min 45% Industry contribution

*"Private members, their constituents or affiliated entities and contributing partners must contribute at least **45%** of the action's eligible costs and costs for its additional activities"*

(IKOP + FC + IKAA) \geq 45% of action's (eligible costs + IKAA)

If threshold not reached collectively → (full) proposal **NOT evaluated**

¿Quién son los “private members”?

- The **private members** of IHI JU are the private industry associations COCIR, EFPIA (including Vaccines Europe), EuropaBio and MedTech Europe.

- At the level of the consortia implementing IHI JU projects, the private members include both the above-mentioned industry associations, as well as their:
 - ✓ **constituent entities:** member of one industry trade association
 - ✓ **affiliated entities:** entity that has a capital or legal link with a beneficiary (which is in this case a private member or a private member constituent entity)

¿Quién son los “Contributing Partners”?

- Any organization that wants to contribute to the IHI objectives without becoming a full member can apply
- Application: vía “letter of endorsement” to IHI Governing Board (GB)
- In letter: commit a certain contribution to a certain topic
- To be approved by the IHI GB

The screenshot shows the homepage of the Innovative Health Initiative (IHI) website. At the top, there is a yellow banner with the text "From IMI to IHI - We have a new name. Find out why, and what else has changed..." and a link "Why we're changing >". Below the banner, the IHI logo is displayed, followed by navigation links: "Apply for funding", "Shape our future research" (which is underlined), "Projects and results", "Resources for projects", "News & events", and "About IHI". A breadcrumb navigation shows the user is at "Home > Shape our future research > Become a contributing partner". The main content area features a large button with the text "Become a contributing partner" and two overlapping circles (one green, one red) to its right.
